

But remembering the fact we want to open one of ice cream shop or souvenir shop, mobile skate rental for tourists. We must exclude points in red circles, because it's so far from city's center. And we should select points in blue circle.

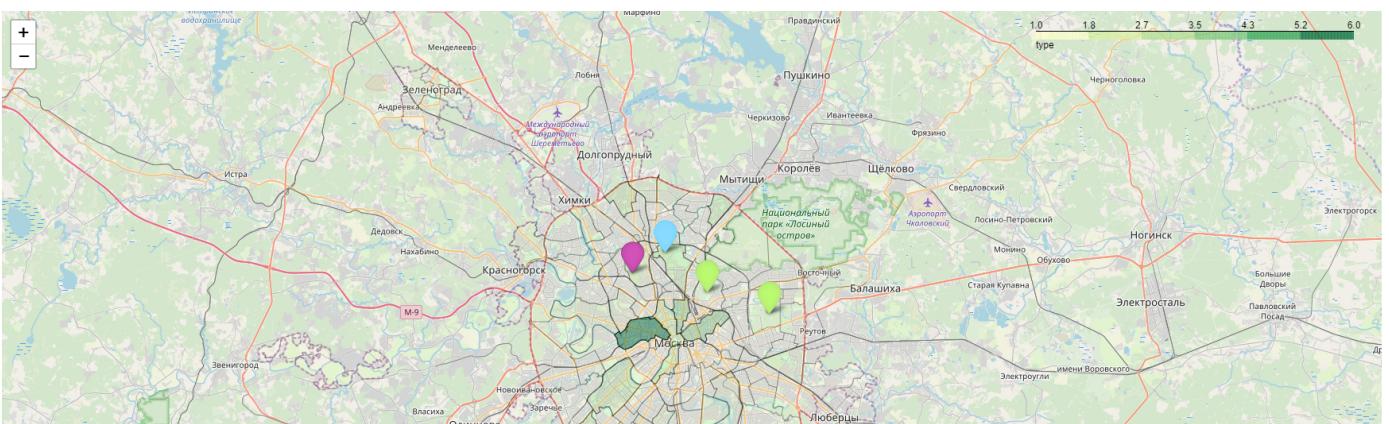

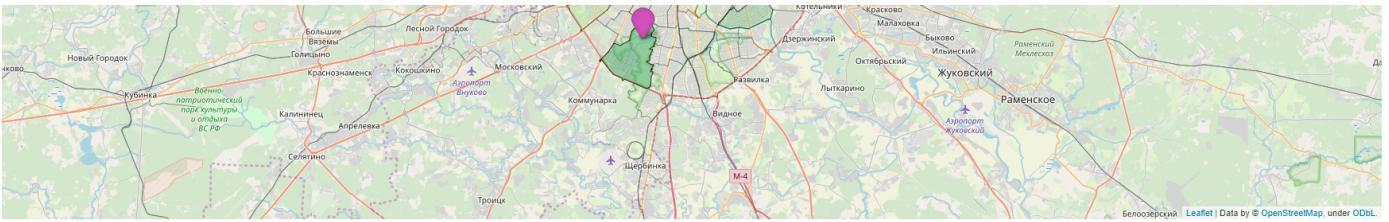

Besides, we can choose parks from top 10 parks by area. And these parks shouldn't be in green zones on map (this area with great competition).

So, this place that I recommend for place here ice cream shop, souvenir shop, mobile skate rental on summer time:

- Главный ботанический сад имени Н. В. Цицина РАН
- Тимирязевский парк
- Битцевский лес
- Измайловский парк
- Парк Сокольники

Conclusion

In this paper, an analysis was conducted on the choice of the area of the city to start mini business.

The basis was taken Moscow and the data from the service Foursquare.

As a result, 5 main points of the city were identified in which it is best to place a cafe and recommendations were given on the choice of location for placing here ice cream shop, souvenir shop, mobile skate rental.

This work can be taken as a basis for obtaining similar analytics in other cities.
